[1] The standard margin on foreign exchange transactions is 0.2%. The rates used to convert currencies on the occasion of payments or foreign exchange transactions are based on the quotations prevailing on the international market. Under normal market conditions, these can be compared to FX rates available on https://www.bloomberg.com/markets/currencies.
ATTENTION: In the case of foreign currency transfers, there may be additional costs of intermediary banks, which do not depend on UniCredit and may depend on the amount of the transfer and the fees of the banks participating in the transfer. In the case of using ATMs, additional fees may occur, which do not depend on UniCredit and result from the conditions applied by external suppliers (ATM operators). The costs of intermediary banks will be debited from your account after debiting the account or may reduce the transfer amount.
